

Work

Oct 2016 - Present
Chennai, India

Web / Visual Design

The Appsolutes

Currently working as a Visual designer. I develop brand identities and design user interfaces for web pages and mobile applications.

Jan 2015 - Nov 2015
Bangalore, India

Intern Architect

Mindspace Architects

I worked on a number of residential, institutional and industrial projects in the capacity of designer and project manager. I was the lead designer for any and all parametric design elements.

Jan 2014 - June 2014
Chennai, India

Intern Architect

KSM Consultants Pvt. Ltd.

My role was to develop construction documents, presentations, and physical models for a number of residential, office and factory buildings.

May 2012 - June 2012
Surat, India

Intern Architect

EssTeam

I took up a summer internship between two semesters and worked on the design of a summer vacation home. Also developed a number of software skills during my training.

Education

Sep 2010 - Nov 2016
Surat, India

Bachelor of Architecture

SCET, School of Architecture

Apart from college curriculum, I was

- Involved in a number of NASA (National Association of Students of Architecture) projects and was a college delegate for the NASA events in 2010, 2012, 2013.
- Part of the international college tour to Spain in 2012.
- Conducted architectural surveys and studies of traditional architecture in cities like Jaipur, Sidhapura, Udaipur, Indore.
- Completed two voluntary professional architecture internships between semesters.
